"The Golden Text of the Sunday Lesson—Sermon on 'Love' in all branches of The Mother Church, The First Church of Christ, Scientist, in Boston, is from Ezekiel and reads, 'I will feed my flock, and I will cause them to lie down, saith the Lord God. I will seek that which was lost, and bring again that which was driven away, and will bind up that which was broken, and will strengthen that which was sick.'"

According to Luke's Gospel, Jesus said unto his disciples, "Consider the ravens: for they neither sow nor reap; . . . and God feedeth them: how much more are ye better than the fowls? Consider the lilies how they grow: they toil not, they spin not; and yet I say unto you, that Solomon in all his glory was not arrayed like one of these. . . . And seek not ye what ye shall eat, or what ye shall drink, neither be ye of doubtful mind. . . . But rather seek ye the Kingdom of God, and all these things shall be added unto you."

Mary Baker Eddy writes in "Science and Health with Key to the Scriptures": "Divine Love always has met and always will meet every human need."

Boy Scouts Help Lads Of Other Lands
The Boy Scouts of the nation, to observe their 36th anniversary during Boy Scout Week, Feb. 8 to 14, are helping brother Scouts in war-torn lands, through an unusual project known as the "Shirts-Off-Our-Backs" Campaign.
Now numbering nearly two million, the Boy Scouts and their leaders are contributing used, but clean and serviceable Scout uniform parts and camping equipment to help boys overseas resume their Scouting activities.
A special effort is to be made during February to call at homes of former members for Scout uniforms and accessories no longer needed.
In approving this nationwide effort, the National Executive Board of the Boy Scouts of America emphasized that the collection is not to be thought of as charity, but instead a sharing by one Scout with another.
Scouts are giving up parts of their uniforms and equipment that they may not be able to replace soon, but Scout Leaders feel this helpfulness will create an interest on the part of American Scouts in brother Scouts in other lands; their customs and history. Since each Scout donor is asked to include his name and address on the equipment, it is felt that friendships thus formed will contribute to world-wide understanding.
